SPEAKER LUEDTKE: LB 513 is advanced to E & R Initial. LB 514.

CLERK: Read LB 514. There are committee amendments.

SENATOR WARNER: Mr. President, I move adoption of the committee amendments. The committee amendments is a clarification of the first three ones, inserting the word "notification", as it should be. The purpose of the bill is to abolish the funds that are currently established for the Personal Property Tax Relief fund, the School Equilization Foundation fund, and the Governmental Subdivision fund. In practice, these are not used; they are paper transfers by elimination of the requirement of the paper transfer, it eliminates that much unnecessary activity. What will happen, each of these are separate program. I think these were all established before programs were a part, as we now know them, as part of the budget process, the same protection that existed or the necessity for funds can still be retained through the use of the program. So with that, this also carries the emergency clause, I move adoption of the committee amendment.

SPEAKER LUEDTKE: Any further discussion of the committee amendments on LB 514? If not, all those in favor of adopting the committee amendments vote aye, opposed nay. Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on motion to adopt the committee amendments.
